

Features and Benefits

PATLOCK is a home security product and the ULTIMATE VISUAL DETERRENT for would be intruders, while providing home owners with instant peace of mind.

PATLOCK has been designed and developed in the UK to assist home owners in securing their property against burglars and the growing trend of lock snapping.

Most forced entry burglaries are committed through the weakest point at the rear of the property, usually the Patio or French Doors.

Entry to French Doors fitted with standard handles and locks can be forced in less than 30 seconds.

- * Instant French door security lock
- * Easily fitted and released in seconds
- * No keys or code number required
- * Adds extra security and peace of mind
- * Supplied with a pair of tamper resist door spindles.
- * Locks patio doors securely, stops intruders fast
- * Lightweight build (Less than 1kg)
- * SBD accredited.
